TravelMate.Combo, is designed to conveniently charge all your devices with a single adaptor. Its dual power sockets let you charge two devices at the same time and 2 USB ports let you charge your USB compatible devices in a jiff. Perfect for frequent travelers, the sophisticated multi-adaptor utilizes an innovative slide-out plug design that houses UK, EU, AU and US compatible pins. The adaptor allows you to charge your electronic devices directly from the electricity mains. In case of power surges, this adaptor is configured to maintain the safety of those who use it. A practical fuse can block the electricity flow immediately preserving and protecting all the connected devices. The Auto-Switch Adaptor makes TravelMate.Combo highly durable and is a great companion for travelers who are always on the go.
